```
graph LR; A[CInterfaceTests::TEST] --> D[SphereicalViewAnalysisAggregate]; B[TEST] --> D;
```

The diagram illustrates a testing structure. On the left, there are two separate boxes: the top one contains 'CInterfaceTests::TEST' and the bottom one contains 'TEST'. On the right is a larger box labeled 'SphereicalViewAnalysisAggregate'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the 'SphereicalViewAnalysisAggregate' box, indicating that both test methods are associated with or verify the aggregate.
