

nlohmann::detail::binary  
\_writer::write\_bson\_entry\_header

```
graph LR; A[nlohmann::detail::binary_writer::write_bson_entry_header] --> B[nlohmann::detail::binary_writer::to_char_type]
```

A diagram showing a call from the function `write_bson_entry_header` to the function `to_char_type`. The call is represented by a blue arrow pointing from the left box to the right box.

nlohmann::detail::binary  
\_writer::to\_char\_type
