

```
nlohmann::detail::json  
_sax_dom_callback_parser  
::number_unsigned
```

A diagram showing a call from a parser to a handler. On the left, a gray box contains the text 'nlohmann::detail::json _sax_dom_callback_parser ::number_unsigned'. A blue arrow points from this box to a white box on the right. The white box contains the text 'nlohmann::detail::json _sax_dom_callback_parser ::handle_value'.

```
nlohmann::detail::json  
_sax_dom_callback_parser  
::handle_value
```
