

```
nanort::BVHAccel< vertex  
_t >::BuildTree
```

```
graph LR; A[nanort::BVHAccel< vertex  
_t >::BuildTree] --> B[nanort::ContributeBinBuffer];
```

A diagram showing a call to the `nanort::BVHAccel< vertex_t >::BuildTree` function. A blue arrow points from this function call to a gray box labeled `nanort::ContributeBinBuffer`, indicating that this function calls the `ContributeBinBuffer` method.

```
nanort::ContributeBinBuffer
```
