

CInterfaceTests::TEST

TEST

SphereicalViewAnalysisAggregateFlat

```
graph LR; A[CInterfaceTests::TEST] --> D[SphereicalViewAnalysisAggregateFlat]; B[TEST] --> D;
```

The diagram illustrates a mapping from two test cases to a single target. On the left, there are two rectangular boxes: the top one contains the text 'CInterfaceTests::TEST' and the bottom one contains 'TEST'. On the right, there is a longer rectangular box with a light gray fill and a black border, containing the text 'SphereicalViewAnalysisAggregateFlat'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating a relationship or mapping between the test cases and the target.
