

TEST

```
graph LR; TEST[TEST] --> Method[HF::Geometry::MeshInfo::GetUnindexedVertices];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'TEST'. The right box is gray with a black border and contains the text 'HF::Geometry::MeshInfo::GetUnindexedVertices'. A blue arrow points from the right side of the 'TEST' box to the left side of the gray box.
