

Cinterface

```
graph TD; Cinterface[Cinterface] -- 30 --> Cpp[Cpp];
```

The diagram illustrates a call from a component labeled 'Cinterface' to a component labeled 'Cpp'. A vertical arrow points from the bottom of the 'Cinterface' box to the top of the 'Cpp' box. The number '30' is positioned to the right of the arrow, indicating the value being passed or the cost of the call. The 'Cinterface' box has a light blue fill and a black border, while the 'Cpp' box has a white fill and a red border.
