

CInterfaceTests::TEST

TEST

SphericalViewAnalysisNoAggregate

```
graph LR; A[CInterfaceTests::TEST] --> C[SphericalViewAnalysisNoAggregate]; B[TEST] --> C;
```

The diagram illustrates a relationship where two separate entities, 'CInterfaceTests::TEST' and 'TEST', both point to a single target entity, 'SphericalViewAnalysisNoAggregate'. The arrows indicate a directed association or flow from the left-hand boxes to the right-hand box.
